RESERVATIONS ARE OPEN! THROUGH OCTOBER 2025

We are looking forward to hosting returning groups and new organizations to glenhagen farm this summer. We have some dates open from now until October. If you know of any organizations, schools, houses of worship that would be interested in bringing students to experience a wonderful camping environment, please send them our way.

Costs are covered for food and transportation for organizations and schools that serve campers without financial resources.

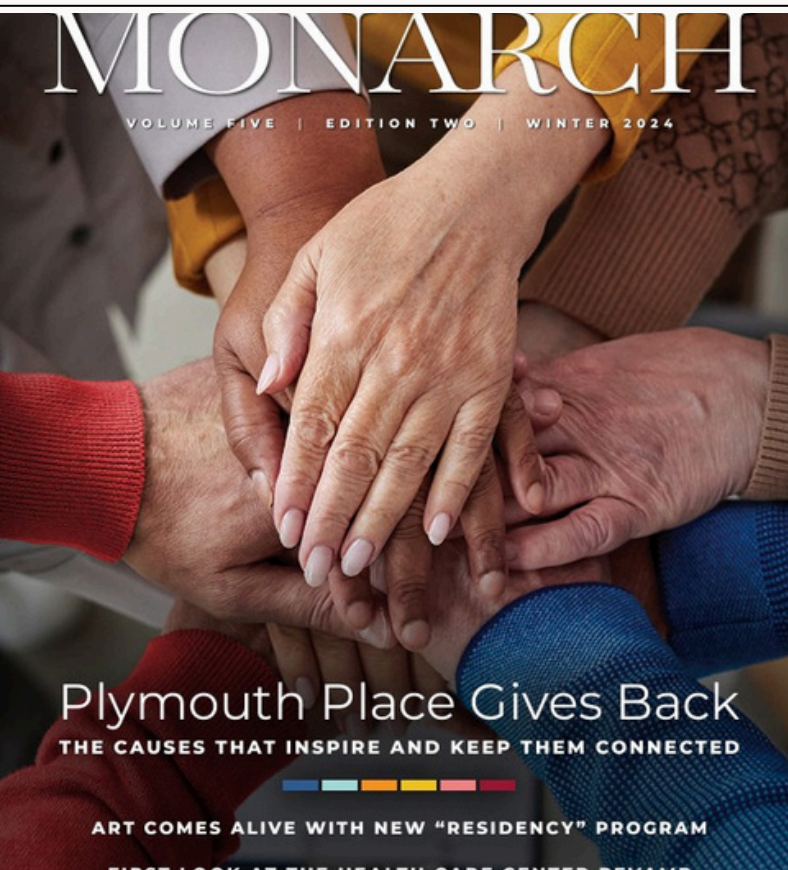

EVENT SPOTLIGHT: CRISTO REY HIGH SCHOOL

We are grateful to Emmanuel Arenas, S.J. and Rocio Juarez who have been instrumental in creating amazing camping trips for their students at Cristo Rey Jesuit High School in Pilsen. They had two groups visit last summer and this year have two trips planned. So many students have expressed interest in joining their retreats and wish they could return.

GLENHAGEN FEATURED IN MONARCH MAGAZINE

We are extremely grateful and excited to have been featured in Monarch Magazine - Winter 2024. Monarch, Plymouth Place's biannual philanthropy magazine, "tells the story of our donors and the extraordinary impact of their gifts." The article highlights the joy of experiencing glenhagen, the history, and groups that have joined to date.

TEAM BUILDING AND FUN

We are excited to share that we have now added a basketball half court in addition to the sand volleyball court, gaga ball pit, and open green space for games. We will provide equipment and supplies so groups can have a fun break onsite during their visit.
